# EVERY NUMBER HAS A NAME

**Church Family,** I wanted to take a moment to reflect on the incredible ways God has moved among us in the past year. We've witnessed remarkable growth and life change in our church community.

Firstly, our church has experienced a significant increase in salvations, with more individuals accepting Jesus as their Savior than ever before. Our Easter service saw near record-breaking attendance, and events like Christmas and Harvest Fest drew in a huge crowds of people as well.

Additionally, our Men's and Women's Bible Studies have been flourishing, with more participants engaging in deep study and fellowship. Our grow groups have seen a surge in attendance, indicating a growing hunger for spiritual growth and community within our congregation.

I'm especially grateful for the overwhelming support and participation in our Unwritten Building Campaign. This initiative will pave the way for a brighter future for our church and allow us to raise up future generations.

Let us continue to embrace these opportunities to align ourselves with God's will and make a lasting impact on our church, community, and the world. Thank you for your dedication and involvement in all that God is doing among us.

“ Looking back, I am beyond **grateful** for God’s **redeeming love**, restoring power, and relentless pursuit for a gal like me. Thank you CS! ”

“ God changed my life through worship. It was the third morning I went to Cornerstone, worship was starting and Jireh, by Elevation Worship, was being sung. The words “You are enough” spoke to me as if it was God alone that whispered it into my ear. In that moment, **I was washed with the love of Jesus and I never looked back.** From then on out, I knew God was my missing piece. ”
